

# GLOBAL LIFE & INCOME PLAN POLICY SUMMARY

Some important facts about your insurance policy are summarised below. This policy summary does not contain the full terms and conditions of the insurance policy, which can be found in the Global Life & Global Income Protection plan Agreement and on your Certificate of Insurance. It is important that you read these documents carefully when you receive them to make sure that you understand the cover your policy provides.

## The Insurers

The insurer of the Global Life and Income Protection plans is the Dubai Insurance Company.

## Significant features and benefits

The **Global Life plan** will pay out a guaranteed cash sum if you die during the term of your plan.

The **Accident benefit** will pay out a guaranteed cash sum if you die during the term of your plan as the result of an accident, or if an accident results in you losing the use of a limb, part of a limb, or your hearing, speech, or sight.

The **Global Income plan** pays you a regular income if you suffer an illness or accidental injury and are unable to work leading to a loss of earnings.

## Significant features and benefits

The extent of the cover provided is detailed in the [Global Life & Global Income Protection plan agreement](#) subject to any limitations stated on your Certificate of Insurance.

## Significant features and benefits of the Global Income plan

In the event of a claim, the maximum income benefit we will pay you will be the lower of:-

- The amount of benefit you have insured, or
- 75% of your gross annual earnings at the time of your disability, LESS any other income you are entitled to receive, (such as income from the state, your employer or business, a pension, or from an other insurance company).

The maximum income benefit we will pay is £90,000 or US\$144,000 or €144,000.

There will be a period when you are first unable to work for which we don't pay benefit. We call this the "deferment period." Your deferment period is stated on your Certificate of Insurance.

During the first 24 months of receiving benefit you must be totally unable to perform your own occupation. If you are only fit enough to return to work on a part-time basis, you may be eligible to claim rehabilitation benefit.

After we have paid you benefit for a full 24 months, you must be totally unable to perform **any** occupation for which you are reasonably fitted by training, education or experience. This means that if at any time after we have paid benefit for 24 months you are able to return to a different occupation, even if it is a less well paid occupation, we will stop paying benefit.

## Duration of the policy

Your cover will remain in force provided you maintain your premium payments in accordance with the Global Life and Global Income Protection plan agreement. Your cover is renewable each year up to age 65. Premiums are age-related and will increase as you get older. We review our premiums annually, so the current premium rates are not guaranteed for the duration of your plan.
